

1. Please find a partner with you. You and your partner will participate in a simulated conversation. Suppose one of the two group members is the person in green vest (labeled as “you”), the other is his friend. Try to make a dialogue about inquiry of the family members. In the dialogue, the following information should be discussed:

- Do “you” have any cousins? How many of each?
- Do “you” have child? Boys or girls? How many of each?
- Does the cousins have child? Boys or girls? How many of each?

Take a video of yourself reading these Pinyin and send it to me in Wechat group before NEXT WEDNESDAY (Oct 30, 08:00 am). I will select some students to perform it in next class.

Please indicate the student ID of both students when submitting the homework. **Late submission will not be accepted.**
